Semiannual Regulatory Agenda

AGENCY: Office of the Secretary, Interior.

ACTION: Semiannual regulatory agenda.

SUMMARY: This notice provides the semiannual agenda of Department of the Interior (Department) rules scheduled for review or development between Spring 2019 and Spring 2020. The Regulatory Flexibility Act and Executive Order 12866 require publication of the agenda.

ADDRESSES: Unless otherwise indicated, all agency contacts are located at the Department of the Interior, 1849 C Street NW, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Please direct all comments and inquiries about these rules to the appropriate agency contact. Please direct general comments relating to the agenda to the Office of the Executive Secretariat and Regulatory Affairs, Department of the Interior, at the address above or at (202) 208-5257.

SUPPLEMENTARY INFORMATION: With this publication, the Department satisfies the requirement of Executive Order 12866 that the Department publish an agenda of rules that we have issued or expect to issue and of currently effective rules that we have scheduled for review.

Simultaneously, the Department meets the requirement of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) to publish an agenda in April and October of each year identifying rules that will have significant economic effects on a substantial number of small entities. We have specifically identified in the agenda rules that will have such effects. The complete Unified Agenda will be published at www.reginfo.gov, in a format that offers users enhanced ability to obtain information from the Agenda database. Agenda information is also available at www.regulations.gov, the government-wide website for submission of comments on proposed regulations.

In some cases, the Department has withdrawn rules that were placed on previous agendas for which there has been no publication activity or for which a proposed or interim rule was published. There is no legal significance to the omission of an item from this agenda. Withdrawal of a rule does not necessarily mean that the Department will not proceed with the rulemaking. Withdrawal allows the Department to assess the action further and determine whether rulemaking is appropriate. Following such an assessment, the Department may determine that certain rules listed as withdrawn under this agenda are appropriate for promulgation. If that determination is made, such rules will comply with Executive Order 13771.

127. REVISIONS TO THE BLOWOUT PREVENTER SYSTEMS AND WELL CONTROL RULE

EO 13771 Designation: Deregulatory

Legal Authority: 43 U.S.C. 1331 to 1356a

Abstract: This rulemaking would revise the Bureau of Safety and Environmental Enforcement (BSEE) regulations published in the 2016 final rule entitled "Blowout Preventer Systems and Well Control," 81 FR 25888 (April 29, 2016), for drilling, workover, completion and decommissioning operations. In accordance with section 4 of Secretary's Order 3350 (America-First Offshore Energy Strategy), Executive Order (EO) 13783 (Promoting Energy Independence and Economic Growth), and section 7 of EO 13795 (Implementing an America-First Offshore Energy Strategy), BSEE reviewed the 2016 final rule, considered stakeholder input on that rule, and has proposed revisions to reduce unnecessary burdens while ensuring that operations are conducted safely and in an environmentally responsible manner.

129. MIGRATORY BIRD HUNTING; 2019–2020 MIGRATORY GAME BIRD HUNTING REGULATIONS

EO 13771 Designation: Fully or Partially Exempt

Legal Authority: 16 U.S.C. 703 to 712; 16 U.S.C. 742a–j

Abstract: We propose to establish annual hunting regulations for certain migratory game birds for the 2019-2020 hunting season. We annually prescribe outside limits (frameworks), within which States may select hunting seasons. This proposed rule provides the regulatory schedule, describes the proposed regulatory alternatives for the 2019-2020 duck hunting seasons, and requests proposals from Indian tribes that wish to establish special migratory game bird hunting regulations on Federal Indian reservations and ceded lands. Migratory game bird hunting seasons provide opportunities for recreation and sustenance; aid Federal, State, and Tribal governments in the management of migratory game birds; and permit harvests at levels compatible with migratory game bird population status and habitat conditions.

EO 13771 Designation: Other

Legal Authority: 43 U.S.C. 1331 et seq.

Abstract: As directed by Executive Order 13795, BOEM has reconsidered its financial assurance policies reflected in Notice to Lessees No. 2016-N01 (September 12, 2016). This rule will modify the policies established in the 2016 Notice to Lessees to ensure operator compliance with lease terms while minimizing unnecessary regulatory burdens, and codify the modifications.
